

Open Day

An Open Day for the Early Years was organized on March 16, 2019. It was a fun-filled and enlightening day both for the parents and students. Numerous activities were planned that included STEM projects, Jungle Rumble, Digital Realm with multiple other sessions of Mini Theatre, Bee-Bot Mania, Modelled and Shared Reading. Different sports activities were a major attraction. Parents and the children relished themselves in the food court and play areas.
